CIELO'S IMPACT

After more than 35 years of facing HIV & AIDS, medical advances have succeeded greatly, yet much work remains to be done in underserved communities.

Cielo raises funds to the initiatives and operations of the Latino Commission on AIDS. Each year, the gala convenes members of the health, business, government, entertainment, and philanthropic sectors, including individuals donors who have the common interest of advancing the health of the Latino community.

During Cielo 2017 we featured the amazing work of our OASIS: Latino LGBTs Wellness Center, where we work to build a community of support for all Latino LGBTs in New York City. OASIS provides HIV and Hepatitis C testing, linkage to medical care, health education and social support, all in a safe space for all members of the Latinx community and their allies.

In 2018 we will feature the work of our ***Latinos in the Deep South program***. The project launched in 2007 as a regional assessment to learn about the realities and needs of our growing Hispanic/Latino communities in the southern United States. The knowledge we gained spurred the creation of the program as we know it today. Latinos in the Deep South builds local leadership, develops coalitions, enhances knowledge and cultural competency, and spurs actions to advocate for emerging Latinx LGBTQ communities around immigrant rights, HIV prevention and policies that eliminate stigma in Alabama, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee.
